

Authors are invited to submit their manuscript to be considered for publication in a Special Issue of the

JOURNAL OF PHYSICAL SCIENCE

GUIDE FOR AUTHORS

Manuscripts in the form of full paper can be submitted directly to the editor-in-chief by mailing **TWO COPIES** of manuscripts and softcopy to

The Editor-in-Chief
Journal of Physical Science
c/o School of Chemical Sciences
Universiti Sains Malaysia
11800 USM Penang, Malaysia.
E-mail:arismail@usm.my

Please submit your manuscript before **30 JUNE 2008**.

To assist in the peer-review process you will need to submit your manuscript as one complete file comprising a title page, abstract, text, reference, tables, figures and figure legends.

Selected manuscripts will be reviewed by selected referees for consideration to be published in the journal special issue. Papers accepted for publication will be prepared in galley proofs and returned to authors for review and corrections.

You will receive the final (Revise, Accept, Reject) decision of the Editor by mail, containing editorial comments.

For information on the status of your article, you are encouraged to contact the Editor-in-Chief by e-mail: arismail@usm.my.

Manuscript Submission Guidelines

1. Submission of a paper implies that it has not been published and is not being considered for publication elsewhere.
2. Papers should be written in English or Bahasa Malaysia and should be typed on one side of A4 paper, doubled-spaced throughout, including the reference section, with a 4-cm margin on all-sides. All manuscript pages should be numbered in the following order: combined title-abstract page, body, references, figure captions, figures and tables.
3. Papers should be headed by a title, the initial(s) and surname(s) of author(s) and the address of the author(s). The title of the paper should not be a sentence. The title and abstract should be combined on one page. Corresponding author should be indicated in the title-abstract page by providing his/her email address.
4. All papers should be summarized in an abstract in English or Bahasa Malaysia consisting of not more than 100 words. Avoid abbreviations, diagrams, and reference to the text. Malaysian author(s) who submit manuscripts in English should, in addition, submit a Bahasa Malaysia abstract. Manuscripts written in Bahasa Malaysia must contain an English title and abstract which are directly translated from the Bahasa Malaysia version. Authors should provide a maximum of five keywords and these should be placed after the abstract.
5. References should be cited in the text by an Arabic numeral in superscript. References should be listed in numerical order.
6. References to periodicals should include initial(s) and name(s) of author(s), title of the periodical, volume number, page number, and year of publication.
7. References to books should include initial(s) and names(s) of author(s), title of the book, name of publisher, place of publication, page number, and year of publication.

8. References to websites should include name(s) of author(s), year published, title of article, name of website, date accessed.

For guides 6 to 8, please refer to examples given below:

1. Bucknal, C.B. (1977). *Toughened plastics*. London: Applied Science Publishers Ltd.
2. Barry, G.B. and R.J., Chorley (1998). *Atmosphere, weather and climate*. 7th edition, London: Ruthledge, 409.
3. Campbell, D.S. (1978). Graft copolymers from natural rubber. In: Roberts, A.E. (editor). *Natural rubber science and technology*. New York: Oxford University Press, 679-689.
4. Ha, C.S. and S.C. Kim (1989). Tensile properties and morphology of the dynamically cured EPDM and PP/HDPE ternary blends. *J. Appl. Polym. Sci.* 37, no.2:389-405.
5. Chin, M.H. and N. Muramatsu (2003). What Is the Quality of Quality of Medical Care Measures?: Rashomon-like Relativism and Real-World Application. *Perspective in Biology and Medicine*. 46, no. 1:5-20.

Referencing to work not yet published is allowed only if the work has been officially accepted for publication.

9. Tables and figures should not be embedded in the text but should be included as separate sheet of files with clearly labeled captions, legends, keys and footnotes, if any. Each table should be typed on a separate sheet of paper. Tables should be numbered consecutively in Arabic numerals.
10. Figures should be numbered consecutively in Arabic numerals. Figure captions should be listed on a separate sheet of paper. Please submit one figure per page.
11. Illustrations submitted should be in separate digital files, **not embedded in text files**. To ensure good quality production, the files should follow these guidelines:
 - resolution of 300 dpi or higher

- sized to fit on page with measurement of 5.0 in × 7.5 in.
 - JPEG, TIFF or EPS file format only
12. The Editor and Publisher are not responsible for the scientific content and statements of the authors.
 13. 25 reprints are provided free of charge. Additional copies may be ordered at the proof stage.
